#### **Description of Modalities:**

**Eden Energy Medicine™** is a modality that recognizes the subtle energy systems which flow through and around the human body, and deeply affect one's health and vitality. Balancing these energy fields can assist the body in moving towards wellness. I will use muscle response energy testing to assess your body's energies and then be guided by my findings to facilitate balancing of your energy systems. Additionally, I will teach specific energy exercises to assist you in maintaining the balance we have created in our sessions. Whereas conventional medicine diagnoses and treats symptoms and diseases, Eden Energy Medicine assesses and corrects disturbances in the body's energies. During a session, you remain fully clothed and before I touch any part of the body that might be considered sensitive, I will ask your permission.

**Energy Medicine Yoga** has been developed from the Hatha Yoga's traditional asanas, combined with the beauty and power of Eden Energy Medicine to bring about a deeper harmony and balance to your body, mind and spirit. Group Zoom class on Tuesdays 8:30-10am PST plus private one on one yoga sessions available.

**Happy Back Yoga** is a balanced therapeutic yoga class for spinal health. Group Zoom class on Thursdays 8:30-10am PST plus private one on one yoga sessions available.

**Vibrational Sound Massage** – Himalayan metal singing bowls are played directly on the body to bring about a deep relaxation, aligning heart and mind and soul into a deeper state of connectedness.

**Vibrational Raindrop technique** – A combination of powerful aromatherapy application with gentle tuning fork acupoint vibration to create deep relaxation, detoxification and more... Several variations available for specific needs.

**Esogetic Colorpuncture** – Precision focused colored light applied to specific acupoints, meridians, and body zones to restore cellular communication and support natural healing processes.

**Angelic Reiki** – Hands on healing. Fosters deep relaxation, pain reduction, harmony and balance infused with Angelic Reiki energy.

**Description of Services** – My sessions typically last 60-90 minutes, sometimes 2 hours, depending on modality. I am available by phone or email to answer any questions or help you clarify what modality might be best suited to you.

**Confidentiality** – During our time together, anything that is shared is considered strictly confidential. You may instruct me to release information to other health care practitioners, or I may be required to release information if subpoenaed or otherwise legally obligated such as in circumstances where there is clear and imminent danger to yourself or another person. I am required to report to the appropriate authorities if it appears you are a danger to yourself or someone else, or if I have reasonable cause to suspect abuse of a child, dependent adult, or developmentally disabled person. I may at times consult with other professionals. All consultations will be done in a manner as to protect your anonymity
